

## School, PTA Asks For Action Here On Cross Walks

Trucks, Cars Are Failing  
To Heed Stop Signs  
Teacher Says

An ever-increasing safety problem for children attending the Truckee elementary school unfortunately defies an adequate solution, it was pointed out by spokesmen at a meeting of the Tahoe-Truckee Unified School District governing board last week.

Although a student-manned traffic patrol has been maintained at the crossing over Highway 40 on Bridge street, and across Highway 89 on the same street, the situation is far from satisfactory and it has been held that children of the fifth and sixth grades are not capably coping with the problem.

Mrs. Ruth Roberson, teacher at the school and spokesmen for the Truckee Elementary PTA which was well represented at the meeting, said that sometimes the children are 15 minutes late getting to school because of their inability to cross the heavily traveled highways. This was particularly noticeable during the opening days of the hunting season, she said.

### No Reply To Letters

A monthly letter to the Nevada County Board of Supervisors, requesting that an adult crossing guard be employed to assist and supervise the children, has not been replied to despite the urgency of the matter, John Corbin, district school superintendent, declared. The PTA has formed a safety committee and proposes to meet with the supervisors to discuss the problem.

"I'll tell you the problem we are up against," Mrs. Roberson told the school board, "maybe you know it and maybe don't. The children go out with the sign, and the trucks go right on through."

She added that the children take down license numbers but have no powers of arrest. Trucks and cars park on the crossing and add still further to the dangerous problems, she declared.

Funds to provide an adult crossing guard would come from the highway use tax allocated to the county, but the county apparently is unwilling to spend any for this purpose.

## Tremayne Family Gamer Stew Honor

It was Tremayne Day at the annual buck stew held Sunday at Capitol Hall and sponsored by the Truckee Outdoor Sportsmen.

First, Miss Sharon Tremayne, the Rotary Club's candidate in the queen contest, narrowly edged out her rivals, Miss Linda Loynd and Miss Jeanne Kessey for that honor and in the second place, her mother, Mrs. David Tremayne was awarded the rifle and sleeping bag given as prizes by the club.

Nearly 1000 people gathered to enjoy the savory stew prepared by Mr. and Mrs. Johnny Ciardella and served throughout the afternoon.

Jack Waggoner, president of the club, presided at the festivities and crowned the queen as a highlight of the afternoon.

Charles Osburn, chairman of the committee in charge, expressed appreciation of the club for the support given to the program and gave assurance that again next year the stew will climax the activities of the organization.

## Kappy's Story Goes On After Recovery Locally

It seems that that once lost beagle, Kappy, may not survive the publicity he is getting. He has made every issue of the Sierra Sun for the past four weeks. The ancient pooch was lost while on a trip and his frantic owners conducted a real campaign for his recovery.

Last week this paper reported he had been found by Dean Vincent near Sage Hen. That was wrong. He was found by Charles W. Jenkins, a bureau of reclamation employee on the Little Truckee river on October 4 and turned over to the owners, Mr. and Mrs. Lud Burket of San Francisco who paid a suitable reward.

Kappy was not injured when the Burket car was wrecked near Davis while en route home.

Thus—we hope—ends this episode in the life of Kappy.

### DAUGHTER ARRIVES

Maryanne Campos, weighing seven pounds arrived at the Tahoe Forest Hospital October 15th at 10:30 a.m. She is the daughter of Mr. and Mrs. Miguel Campos of Truckee and her father is employed by the S.P. Dr. Ben King was in attendance.

### LAKE LEVEL

TAHOE CITY—The level of Lake Tahoe Monday was 6228.15 feet with 326 cfs of water leaving the gate. Temperatures have ranged from a cool 28 to a high of 56 degrees during the week and a mild Indian summer prevails.

## District Governor Of Rotary Speaks Before Local Club

Rotary Clubs in 99 countries throughout the free world are united in an endeavor to promote international understanding, good will and peace. That was the message of Clyde Curtis of Placerville, governor of District 164 of Rotary International, in addressing the Rotary Club of Truckee Monday following a conference with local Rotary officers and committee chairman.

In addition to the activities of Rotary's 9100 clubs within their own communities to promote this objective, Curtis explained, Rotary International has spent more than \$2,000,000 in recent years through its program of student fellowship, which enable outstanding college graduates to study for one year in countries other than their own, as Rotary ambassadors of good will. Since 1947, when this program was established, 834 Rotary fellowships have been awarded to students in 61 countries for study in 40 countries.

Curtis urged the local Rotary Club to be well represented at the Rotary District Conference to be held at South Lake Tahoe in April, and to make plans for the club to be represented at the 48th annual convention of Rotary International, which will be held in Lucerne, Switzerland, next May.

## Man Held After Threats Are Made

Jack Kennedy, 35, life-long resident of Truckee, was being held this week for a hearing after he was charged with breaking into the home of Mr. and Mrs. Nat Quilici on River street where he threatened Mrs. Quilici about 1 a.m. last Thursday.

Kennedy, an employee at Fontana's Laundry operated by the Quilicis, told Deputy Sheriff Roy Waters and Patrolman E. W. McCallen and Carroll Maynard, who were called to the scene, that he resented his employers and determined some time ago to cause them trouble.

When the officers arrived at the home in response to a frantic call from the Quilici's daughter, Carolyn, Kennedy fled through a window, but was stopped by shots fired by Waters.

Mrs. Quilici was not harmed, although the attacker several times forced her face into pillow and threatened her with the gun and knife. Quilici was absent from home, a fact known by the suspect.

## Former Local Woman Married At Long Beach

A wedding of interest which occurred in late summer is that of Mr. and Mrs. Jack McCabe who were married at Long Beach on August 25. They have established their home at Merced where he is stationed with the U. S. Army.

Mrs. McCabe is the former Esther Harris who was on the staff of the local branch of the Bank of America and has many friends in this vicinity.

### IN NAVY RESERVE

Among the enlistments listed by Lt. Com. T. L. Westcott, USN, commanding the U. S. Naval Reserve Training Center at Reno, for the month of September was Frank A. Giovannoni, son of Mr. and Mrs. Frank Giovannoni of Truckee. He is a seaman recruit.

## North Tahoe Will Ballot On Bonds For PUD Nov. 20th

Improvements Needed For  
Sewer System Says  
District Head

KINGS BEACH—Directors of the North Tahoe Public Utility District posted official notice of a \$200,000 bond election for improving the sewer system to be held in the Kings Beach elementary school November 20.

Meeting with the district engineer, L. Cedric Macabee and their attorney, Everett Wilson, Friday they decided to call for the bond election pending the forthcoming report on the system by Ralph Drown of the state department of public health.

The state health department has been studying the system for a month and, according to Drown, will be able to make a public report by November 1st on the present condition of the system and issue a recommendation on improvements needed to prevent future contamination of the lake and stream in the Kings Beach area.

Board Chairman H. E. Brooks described the need for these funds as critical if the following projected improvements are to be made before next season:

(1) Enlarging the capacity of several pump stations where overflowing occurred this last season and the installation of an alarm system to warn of any pump failure when it occurs.

(2) Construction of dikes around the pump stations capable of handling one hour's flow at peak rate, thus providing enough time to correct a failure before overflow contaminates any public watercourse.

(3) Enlargement of the treatment plant by building a digester capable of handling not only the present rate of flow but the greatly increased load projected for the next few years.

The system was originally built in 1949 for \$250,000 which was a Brooks said, "all we could legally get from the tax rolls at the time and it is time that we completed the job we started then."

The tax rolls show that in 1948 the assessed valuation of property within the district was close to \$1,200,000 as compared to \$2,800,000 at the present, an increase of 100 percent in seven years.

## GIRL SCOUT LEADER VISITS TROOP HEADS

The troop committee of Donner Lone Troop, No. 3, Girl Scouts, entertained Miss Margaret Wales, at luncheon on Friday, October 12 at Donner Lake Lodge. Miss Wales is a member of the national field staff, Girls Scouts of America, with regional headquarters in Palo Alto, and her territory includes northwestern Nevada and the Truckee-Tahoe area. Plans for a future community meeting on Girl Scouting were discussed.

Donner troop is sponsored by the Truckee Rotary Club and is under the leadership of Mrs. Frank Giovannoni assisted by Mrs. Robert Leamon.

## Pythian Sisters Fete Official At Local Meet

Myra Saddler, Pythian grand chief of California was feted by Summit Temple, No. 79, Pythian Sisters during her September 19 official visit to the lodge.

A luncheon was given at Donner Lake Lodge for the honored guest with Edith Pfandler, Ica-lone Kohl and Mattie Melschow on the committee.

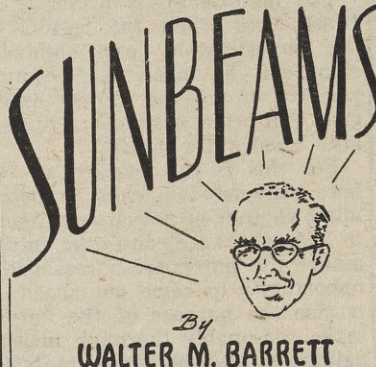

A banquet with local members and Vertus Temple, No. 47 of Colfax attending to compliment Mrs. Saddler.

Julia Ciardella presented a message to the officers during the program.

### Toninis Return Home

Mr. and Mrs. Ben Tonini returned to their home at Morro Bay after five weeks visit with their son and daughter-in-law, Mrs. Robert Tonini of Tahoe City, arriving in time to help Mrs. Clara B. Nelson celebrate her 93rd birthday October 11.

Friends of Mrs. Nelson extended their felicitations for the event.

While we personally like Ike, we are not going to attempt to tell you how to vote come election, but there is one thing which we will insist on and that is that you VOTE. While the election notice sent us for publication by the county clerk lists only two county supervisors—neither of which local voters will find on their ballots—there are some very important candidates and issues and we sincerely urge that you study closely your sample ballot, if and when it arrives, and go to the polls on November 6 and VOTE.

## Summit Highway Hearing On Oct 30

The state division of highways will hold a meeting at the Veterans' Memorial Building in Truckee at 3 p. m., Tuesday, October 30, to hear pros and cons relative to the alignment of four lanes on U. S. Highway 40 from the east end of Donner Lake to Soda Spring.

Maps of the proposed routing will be available and anyone wishing to discuss the matter with the state officials may do so at that time. J. W. Trask, district engineer from Marysville will conduct the hearing.

A hearing on the same route from Hampshire Rocks to Blue Canyon, will be held at Nyack Lodge the same date at 10 a. m.

The present plans for the new highway at Donner Lake calls for the highway to swing north near the east end of Donner Lake and go about a mile and three-quarters north of the present summit at an altitude of 150 feet over the present crossing of the Sierra.

The maximum grade will be 5 instead of 8 per cent and wind velocity will be less.

The board of supervisors approved the meeting here at their meeting Wednesday.

## Praise Given Boy Scout Drive Here

The one day fund drive conducted here by 10 teams of volunteers last week resulted in a total of \$716.05 being collected to support the Boy Scout and Cub Scout program during the coming year.

The drive was under the supervision of C. W. Sciutto, high school principal and a "kick-off" breakfast was held at Smart's.

A breakdown of the team results showed the following: team 1, \$36; team 2, \$38; team 3, \$28.50; team 4, \$101.55; team 5, \$20; team 6, \$56; team 7, \$72; team 8, \$100.50; team 9, \$123.50; team 10, \$139.

Sciutto expressed his appreciation for the fine cooperation and a job well done.

"It is indeed gratifying to witness a community in action when there is a good cause at stake," Sciutto declared. "The Boy Scout drive has again proven that the people of this country believe in youth and what the Boy Scout program means to the boys of this area."

### LIONS MEET

A general discussion of civic affairs featured the meeting of the Lions Club last night at Donner Lake Lodge. Dave and Zeph Rose were guests and Roy Waters presided.

In Hospital—Mrs. Minnie Martini who was taken to Tahoe Forest Hospital on Tuesday with pneumonia is receiving messages from her friends who are hopeful of her quick recovery of health.

From Roseville—Mr. and Mrs. Augie Sassarini and children of Roseville are visiting relatives and friends.

Paven To Folsom—E. E. Paven, stockman, left for Folsom today after spending several months on his ranch here.

## Wolverines Drop Fourth Contest; Move To Lovelock

Manogue Takes Measure  
Of Locals 31 to 6  
At Reno

Tahoe-Truckee's Wolverines dropped their fourth game of the season last Saturday when they journeyed to Manogue and suffered a 31 to 6 conference loss.

The Miners, coached by Duke Drakulich, opened quickly following the kickoff, and on the third play of the game, their all state halfback, Tony Granata, drove off left tackle and out ran the Wolverine secondary for 70 yards and 6 points.

With Granata and Fullback Manley doing most of the ground work, the Miners rolled up a 25 to 0 halftime lead as the Wolverines' passing attack stalled and the ground game was stopped cold by the big Manogue line.

Coach Stan Drakulich's red shirted club managed to cross the Miner goal line late in the third period as diminutive Ken Osburn scampered three yards out for Tahoe-Truckee's lone TD.

In the fourth period the Miners managed to reach pay dirt once more, leaving the scoreboard reading Manogue 31, Tahoe-Truckee 6, as the final gun sounded.

Saturday night, October 20, the Wolverines moved to Lovelock for the fifth straight conference tilt as they meet the league win-less Mustangs. Game time is 7:30 p.m. On paper, the clubs look equal. Lovelock lost to Douglas, 14 to 12, and to Winnemucca by an identical count, while the Wolverines lost to these two teams by 12 to 0 and 13 to 6 scores respectively.

There will be no rooters buses for this game due to the long distance and late hour of returning, but all interested parents and fans are urged to load up their cars with students if possible, so that Wolverines will be well represented and cheered on to a rousing conference victory.

## HAL WELCH GIVEN 20-30 CLUB ANNUAL BEST CITIZEN AWARD

The outstanding citizen award presented annually by the Truckee 20-30 Club this year went to Hal Welch, president of the Truckee Chamber of Commerce. The presentation was made by District Governor James Morhain at a dinner meeting last week.

Welch, a restaurant operator here, is a director of the Truckee Public Utility District, a member of the Nevada County Republican Central Committee and has been active in a number of local organizations and projects.

Previous winners of the award were Charles Osburn, Clarence Osburn and Mrs. Fred Pedley.

## CARL BECHDOLT, SR. HONORED AT AFFAIR

TAHOE CITY—Close to 100 relatives and friends enjoyed the birthday dinner Monday night at the Tahoe Inn honoring Carl Bechdolt, Sr., on his 70th birthday. In addition to the many who observed the event in Tahoe City, there were scores of messages from all over the country.

The affair was planned by Mrs. Bechdolt and gold and brown and yellows of autumn were used in the decorative scheme prepared by Donner Florists. A beautiful cake covered with small replicas of the animals of the forest was prepared by Leonard Bury of Tahoe Bakery.

Leland Steffenson, mayor of Newman, was master of ceremonies.

Bechdolt has spent nearly 50 of his 70 years at Lake Tahoe, being first employed as a fisherman. Later he purchased the Tahoe Inn with which he has been since identified.

Comes North—P. A. Stokes of San Ysidro was a Truckee visitor last week.

Moves To Donner—Mrs. Jayne Glass has moved down the mountain from Norden to Donner Lake.

Goes South—Mr. and Mrs. Louis Landry have sold both of their homes here to the Denney Lumber Company and have left to make their home at Simi near San Fernando.

## One Iardi Expires; Last Rites Held Here Wednesday

Requiem Mass in Holy Spirit Church at Sacramento on Wednesday at 9 o'clock was said for Mrs. Ione Iardi who died Monday in the capital city. Graveside rites were held here Wednesday at 3 p. m. under the direction of the Truckee Colonial Mortuary with Father P. J. O'Neill officiating.

The untimely death of Mrs. Iardi was a shock to her many friends although she had been in ill health following an automobile accident which occurred several years ago.

The young matron was born in Truckee, 37 years ago, and attended local schools where she took part in the activities and was well known in the community.

Bereaved are her husband, Eugene Iardi, their two sons, Anthony and Ronald of Sacramento, her parents, Mr. and Mrs. Anthony Ghirard, a sister, Mrs. Robert Rose, her grandmother, Mrs. V. Cozzallo and an uncle, Dr. C. C. Cozzallo, all of Truckee and two other uncles, Dr. A. A. Cozzallo of Reno and Arthur Cozzallo of the bay district.

The community extends sincere sympathy to the family.

## Man Killed As Car Plunges Off Road

The first snow of the season last Thursday was blamed for the death of Maribros Narmanian, 74, Detroit, Mich., whose car skidded and plunged down the grade a half mile west of Donner Summit just before noon.

Narmanian, riding alone, had been unusually careful in driving, witnesses told State Patrolman E. W. McCallen, but as he rounded the curve on the grade, he apparently applied his brakes and the car swerved sharply and rolled down the bank.

The victim had been visiting relatives in Fresno and was driving home when the mishap occurred. The body was taken to the Truckee Colonial Mortuary and shipped to his home.

## Beavers Winning In Unique School Bout

There is a new kind of contest going on at the Tahoe-Truckee High School—unique to say the least—and one which promises to go against the high school if all the rules are kept.

It seems that a colony of beavers has established its home in Donner Creek directly back of the high school in a location selected by the school to install its pumping plant for irrigation purposes. The busy beavers erected a dam just below the pumping plant and the resultant backing up of the water forced the school to remove its pumping equipment while workmen set about removing the beaver dam.

No sooner was the dam destroyed than the industrious beavers, working under cover of darkness, rebuilt it. Now the situation has developed into a real contest with the beavers out in front by a big margin.

Superintendent John Corbin sees only one end to the battle. He has threatened to call in the fish and game to have the opponents captured and removed to a less populated area where they can build their home in peace and the school can continue its watering unmolested.

### FOOD SALE

The Wyethia Women's Club will hold a food sale on Friday, October 19, starting at 11 a.m. in the Stewart Bakery. Featured will be homemade salads, cakes, pies, rolls, bread, cookies, casserole dishes and candies.

Mahers Visit—Mr. and Mrs. Tony Maher of Roseville were here this week seeing friends.

Guests Go—The guests of Mr. and Mrs. Oscar Schumacher, Mrs. Bertha Ehrlicke and daughter, Miss G. Ehrlicke left for Long Beach after two weeks vacation.

From Napa—Mr. and Mrs. Fred Kohler of Napa visited friends at Lake Tahoe and Truckee this week.

## Many Items Under Discussion During Local Board Meet

Need For Band Uniforms  
Cited At Meeting Of  
School Board

Ways of financing \$910 worth of new band uniforms were discussed at the meeting of the governing board of the Tahoe-Truckee Unified School District last week.

Because no provision was made in the budget for the amount required to replenish the 14 or 16 uniforms on hand, the board is unable at the present time to allocate the money. However, the High School PTA is seeking means of providing for this year's requirements as outlined in another story in this newspaper.

### Squaw Valley Problem

A delegation from Squaw Valley appeared before the board relative to transportation. Mrs. Wayne Poulsen declared she had been transporting 10 children daily to the Tahoe Lake school, but has been advised that because of insurance regulations, she must limit the number. John Corbin, the district superintendent, said he was making a study of the matter and would possibly employ a bus to transport the children, but added that because of schedules, the children from the valley might be required to attend the Truckee school. The families apparently prefer the Tahoe school, Mrs. Poulsen said and Corbin said he would see what could be done and report later.

### Radio-Phone Discussion

Officials of the Pacific Telephone Company met with the board relative to the latter's request to discontinue the radio phone service in school buses. After a lengthy discussion the matter was tabled temporarily and a special meeting may be called to iron out the differences. The board contended that the service was not adequate and was out of commission when needed during the stormy months.

### Praises Driver

A letter from Mrs. Sandy Ayala at Floriston, praising the work of Paul Rausch, a bus driver, for his care and attention to the children in his charge, was read.

### Conventions

Members of the board authorized Corbin to attend a superintendents' meeting in San Francisco December 5, 6 and 7 and members of the board may attend the School Boards Association meeting in that city December 6, 7 and 8.

### Teen Age Program

Corbin reported on the organization of the Teen Age Recreational Committee which is being formed. The first meeting was held October 2nd.

### Year Round Program

Mrs. Cincotta, a faculty member, presented the board with the findings of her committee which has been working for the past year to formulate a 12-month school program. No details were discussed relative to the extended curriculum.

### Salary Change

Changes in the method of payments to teachers was decided upon and in the future the faculty members will receive the same pay as prescribed but will not receive checks during July, August and September. This change resulted from one teacher receiving an overpayment of \$259 and then not returning to resume her duties in the fall.

Reg Smart, board president, was in charge of the busy meeting.

## Leif Nielsen Gets Navy Training At San Diego

Leif Nielsen who will be 18 years old in December is at San Diego, receiving his basic training in the U. S. Navy.

Young Nielsen, son of Mrs. John Collier of Truckee and Lief Nielsen of Carson City attended local schools while living at Lake Tahoe and Truckee. He will be in the service for four years and may make the Navy his career.

## PARENTS URGED TO ATTEND MEET HERE

Parents of the area, including Tahoe City, Kings Beach, Donner Summit and Truckee district are urged to attend an open forum to be held at 8 p.m., Tuesday, October 23 in the Tahoe-Truckee High School Cafeteria. The announcement was made by Mrs. Gilbert Kumble.

Paul Horvath of Tahoe City will be the chairman of the evening when a joint effort will be made to promote a recreational program for the teen age young people of the district.

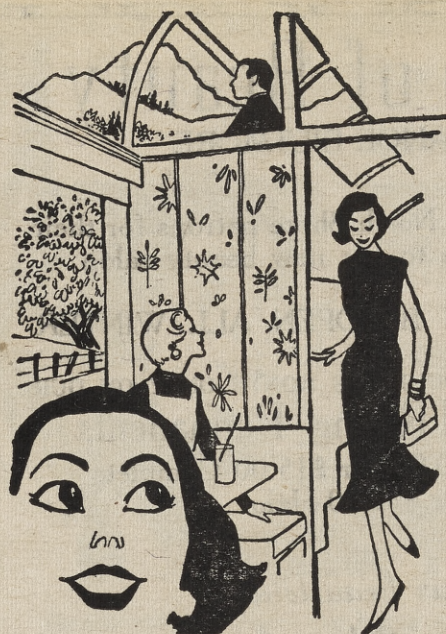

### BOOK CLUB TO MEET

The second meeting of the month of the Great Books Discussion group will be held October 24 at 8 p.m. in the high school library. Miss Jeanne Kessey and Frank Aloisi will lead a discussion of the United States Constitution and selections from the federalist papers.

"you see  
things from  
the train.  
And S.P.  
really has the  
scenery."

THE BEST OF RIDES—FOR FOLKS OR FREIGHT

## NEWS NOTES FROM TAHOE

By Naomi McLane  
P. O. Box 195, Tahoma

These blue and gold days of October can be compared only to themselves or to the blue and gold of other years. And what happens to comparisons when each fall seems more beautiful than last?

### Nursery School

The nursery school program is well underway under the directorship of Elaine Wright. Dr. Robert McQueen, assistant professor of psychology at the University of Nevada gave a talk to the parents of both Tahoe City and Truckee nursery schools at the high school cafeteria last week. His subject was hygienic training of little youngsters. He approached the subject with humor as well as knowledge and his audience was very interest-

ed. On October 24, the parents hope to have Dr. Dorothy Sidwell of the home economics department of the University of Nevada as speaker. Mrs. Wright wants it to be known that everyone is welcome to these meetings—not necessarily just parents of nursery school-age children.

### Rotary Meets

Rotary met Tuesday evening at the Tahoe Inn with 31 members and no visitors present. This is the first meeting since midwinter of last year that there has been not one guest. It shows the season is upon us. The main item on the program was a movie showing the 1955 series of the San Francisco 49ers winning football games. For the next two months the Tahoe Inn restaurant will be closed for redecorating and during that time the Rotary meetings will be held at Bacchi's in Lake Forest. Plans were not completely determined for the Hallowe'en party.

### Install Pump

Ralph Burgett, Harold Farr, and

B. W. Vernon have just finished the installation of a pump of much greater capacity at the main lift station of the public utilities district. This extra large pump has been installed in preparation for what may well be another wet winter. There are now two large pumps in each of the three auxiliary pump stations so far.

The sewage system is going into its third year of operation and is certainly keeping abreast of our growing community.

### In Hospital

On the hospital list are Bob Watson who was quite sick there for several days. Stella is taking him down to the valley this week where he will have a checkup. Maizie Carnell spent a few days in the hospital, too. I believe she is home now. Mrs. Jim Brehler took her little eleven-month old boy in for treatment for this bad flu bug and it was found that Stevie had pneumonia. We hope all will be well with him very soon.

### Inspects Mine

Mrs. Millie Noonchester, proprietor of the Tahoe Treasure Mine up west of Quail Lake, was here from her Reno home for a few days on a tour of inspection and to bring stores for her caretaker who will spend the winter at the mine. Most of you probably know that this mine has been in existence for several years and produces both gold and silver ore. However, recently, traces of uranium have been found. Mrs. Noonchester hopes that these traces will perhaps grow and develop into something quite important.

### Sunday School

The Community Sunday School teachers held a meeting last week at the home of Beccy Shontz, where promotion day plans were made. Promotion Day will be the last Sunday in October and everyone is welcome. At that time new classes will be formed and a slightly different system of grading will be used. There will be the nursery school up to age three, kindergarten for four and five year olds; primary will consist of first and second graders, junior I of third and fourth, junior II of fifth, sixth, and seventh graders, the intermediates who are of course, teenagers. There is a real need for teachers in this little school and anyone interested in helping out should get in touch with Mrs. Evie Waters or Mrs. Mabel Nielsen.

### Visits Sister

Douglas Wilson of Lake Forest and a senior at Tahoe Truckee High spent the weekend in Sacramento visiting his sister, Carol, who is in her second year at Sacramento State.

### To Oakland

Mr. and Mrs. Don Jackson moved with their four children to Oakland this week. Don was with the light and power company here.

### Working On Book

Mrs. Ethel Vernon is busy getting out the autumn issue of the little magazine, "Reconnaissance." This is almost entirely a poetry magazine but right at present Mrs. Vernon is printing a series of True Tales of Tahoe which was published some years back. This autumn issue will re-tell the story of the Hermit of Emerald Island.

### On East Trip

Mr. and Mrs. Red Trapp of the Skookum Chuck are on a five-week trip to the east coast where they were hoping to take in the World Series. Mr. and Mrs. Charles Spaulding, parents of Dode, are taking care of Skookum while the Trapps are gone. They are wondering if the travelers made to the series because the last word they had is that Trapps were held up in Kansas by a tornado. Gary is with his parents on this trip. He has an assignment to cover the United Nations among other things for his schoolmates.

### Birthdays

Among recent birthday celebrations were an indoor-outdoor party for Dwight Lang, a hobo party for Janis Gianninni, and a "socializing period" at kindergarten for Tony McLane.

Dwight Lang's sixth year began with a party for nine little guests at the home of his parents. Albert and Dorothy Lang of Tahoe City, Barbara Nielsen, Diane McBride, Anna Marie Connors, Janet Jorgensen, Mike Burmer, Breezie Cross, Tommy Cross, Jimmy Henry and Johnny Spitsen were guests. Diane McBride and Mike Burmer

took prizes at pinning the tail on the donkey.

The unique hobo party for Janis Gianninni's tenth birthday sounds like great fun. The girls were taken down into the Rubicon where they hiked, raced and played to their hearts' content. Refreshments were brought by Mrs. Gianninni in such a form that they could be tied into the bannanas the girls had brought with them. Girls at the party were: Karen Henry, Kim Turner, Sandra and Stephanie Snyder, Arica McLane, Susan Wright, Pamela and Penny Clark, Chris Schickler, Karla Kiser, Sharon Abrahamson, Joan Seviener, Dorothy and Danelle Pomin, Jayne Shontz. Tony McLane, turned five, was surprised at school with cake and popples for his classmates.

### In Seattle

Gordon Butterfield is in Seattle where he is managing the Sport-house, a sporting goods store, for an old friend, who is deeply involved in the political campaign until after the election. Gordie will return the first of December.

### Farewell Party

Tahoe State Park, under its supervisor, Don Stowe, was host to a combined going-away and welcoming party for personnel of the state division of beaches and parks Tuesday night. The Robert Waggoners are transferred to Calaveras State Park and Ray Westberg is newly arrived as assistant supervisor at Bliss Park.

## DAMAGE SUIT FILED AS WRECK RESULT

NEVADA CITY—A double personal injury suit totalling \$128,000 has been filed in the Nevada County Superior Court by Dee Hansen and Bertha Hansen against William Fred Klinker, et al, for injuries arising out of a collision on U. S. Highway 40.

In their complaint the Hansens charge that on September 4 of this year a panel truck driven by Klinker collided with their vehicle, on Highway 40 a third of a mile east of Boca. They claim resulting injuries were permanent in nature and caused damage to their nervous system.

Has spent vacations at the lake for years; Floyd Bowers for Judge (adv.)

# NORTH TAHOE

By JUDGE HARRY CHARRISON

## Council

Gene Faulkner, popular president of the council of North Tahoe Organizations, tells me that there will be a story about the intentions of the group to have one of the biggest Christmas doings for the kiddies this year. He says the spirit of the thing is running high by business people and the member organizations. Watch for further announcements later.

## Building On

Who should I see but Ray and

Mrs. Barton. You remember his Dad had the Barton Electric. Ray has a home on the back of the property owned by Ned Malla and is building an extra room on the side. Ray is at Auburn and doing fine. His Dad, I am told, is at Santa Barbara.

## A Dear And Dear

Well, I am late again. Beverly Newell and the father Newell of Kings Beach have the sweetest wee baby boy, Allen Newell, born late in September. Now Beverly's twin sister, Barbara, got jealous, and went out and got herself the cutest deer, off the Truckee shortcut. Was she ever proud.

## Business

A wonderful meeting was held by the North Tahoe Business Association in the Crystal Bay Club on the 10th. Many important things were taken up, signs of course, being one item, and it was suggested that there should be a cleanup week a couple of times a year so that our community might be made respectable. I know that the Women's Club in Tahoe City has in the past accomplished wonders in keeping their city clean. One day in the first week in June it is hoped that Senator Harold Johnson will attend. We hope you will keep this in mind and just pack the meeting place as it will be very interesting.

## Scouts

Scoutmaster Red Waddell tells me that he took his troop leaders to a training conference near Lincoln from Friday to Sunday morning. The boys got a lot of wonderful new ideas in Scout leadership. The boys who accom-

Superior Court experience for Superior Judge, Floyd Bowers ... X.

panied Red were David Decker, Kenney Bailey, Richard Parr, Richard Trent and Bobby Howell. This trip and time, says Red, was well spent, and lots of credit is coming to Red for his good work.

## Leaving

Jerry Culbertson, and of course, the boss of the household, Mrs. C. have left Kings Beach for the winter, for the nice clean little town of Fullerton. Jerry is the tailwister of the Lions Club and he is going to be missed. Clarke Powell will fill in for him at the club. Have a good winter, folks.

## V.F.W. 7077

Now the Veterans of Foreign Wars and the Ladies Auxiliary are turning their attention to the big Halloween ball to be held at the Crystal Bay Club on the evening of October 27th. There will be an orchestra and buffet, balloons and prizes galore. Get your tickets at the club or from any member now.

## Old-Timer

Sarah Ernst, former teacher of the Kings Beach elementary school a few years ago, was a visitor here for a few days last week. She is now living in Oroville but still likes the lake. Each time she comes there is big growth in the area noted. Sure nice to see her.

## Fire

Quite a scare for Mrs. Krueger last week when the chimney caught fire in her home on Midiron avenue. Two fire trucks answered the call and made short work of putting the fire out. Mrs. Krueger also had been stung quite badly and had Dr. Sklar attending her. She was very thankful to Mrs. Blane and Mrs. Chanda for nursing her, and also to the firemen for their splendid work and making such a fast run to her home. Her son, Max, as you know, is away at the moment in fish and game training. This column congratulates him, as we know he is just suited for that department.

## Lions Meet

A number of members from the Lake Tahoe South Shore Lions Club attended the meeting of the Lions Club at Crystal Bay Club the last meeting. The North Shore Club has challenged the South Shore to a bowling tournament with Lion Red Waddell as the captain of our team. The deal is that the losing team, with their ladies, will put up a big dinner. If our team loses, they will have the dinner at the above club and if it comes out with the south end losing, then the dinner will be at the Wagon Wheel. I understand our team will also play a team of deputy sheriffs led by Bud Rabaska. President Dave Ashton presided at the meeting.

## Mother Dies

We express sympathy for the Roy Poraths, in the death of his mother October 15 at Sonora. She had been quite ill for some time so her passing on was not all together unexpected. Funeral services were held in her home city on Wednesday.

## Sister Expires

The only sister of Judge Harry Charrison, Mrs. E. J. Webb passed away on October 16 at her home in Toronto, Canada. Beside her brother, Mrs. Webb is survived by two daughters and four grandchildren.

## Better

My old friend, M. H. (Hank) Dodd, is back on the job after quite a seige of sickness. We are glad that he is on his feet again and that he will continue to be so, he is one of those busy men and just can't afford to lay down on the job.

## Happy Visit

er visited with Joellyn Ashton at the Holy Cross Hospital, and then had quite a dinner party in town. They were on their way to Iowa for the winter and we sure miss them.

## Hot Foot

On October 27th the Tahoe Twirlers will commence classes for the younger group, teaching them the art of square dancing. Registration for the youngsters will commence at 8:30 p.m.

## Mr. Tahoe City

Here was a party to shout about. Last Monday night at the Tahoe Inn we had the pleasure of attending a party celebrating the birthday of Carl Becholdt, Sr. About 70 guests were present, coming from all over the state. Dinner was served after which most of the guests made a short talk praising Carl as one of the outstanding citizens of Lake Tahoe. Carl replied giving the history of how he came to the lake in 1908 and could see the possibilities but didn't dream that it would come to what it is today. The most impressive part was when his grandchildren sang 'Happy Birthday.' All of them sat at one long table and were as pretty as could be.

## Return

Tom and Mrs. Sheehan have just returned from Long Beach where they had a real hot time—the weather that is. Mighty glad to be back to relax, says Tom.

## Tahoe Items

Mr. and Mrs. W. R. Tiffany who have been enjoying the fishing at Lake Tahoe for many years, have left Homewood for Stockton.

Col. R. C. Jones wrote from Los Gatos that they have left Carmel Bay until next year.

## BIRTH DATES

Birthday parties and remembrances were enjoyed by Mrs. William Curran on September 20; Daven Morey on the 16th, Mrs. Mary Zunino observed her natal date on September 27.

Linda and Judith Loynd, cousins, were feted by their families on their birth dates, September 24 and 29, respectively. Mr. and Mrs. John Collier celebrated in honor of the September 19 birth date of their small daughter, Kathleen.

Nat Quilici was another September birth date celebrant.

**ELECTRIC HEATING UNDER FHA REQUIREMENTS**

New houses must be easy to heat to qualify for FHA insured loans. This was announced by the Federal Housing Administration following a year's study of minimum property requirements. In technical terms the FHA said houses must be so insulated and designed that the heat loss is no more than 55 BTUs per square foot of floor space. Under the requirements set forth by the FHA — Electric Heat will meet the needs of the householder better than any form of flame heat.

Electric Heat Is Cleaner—Needs No Chimney or Flue—Is Economical to Use

## Tahoe-Truckee School District News

**KINGS BEACH SCHOOL**  
Kindergarten and First Grade: (Teacher, Elrose Knudsen.) On Friday, October 5, our entire class enjoyed a birthday party for Karen Mally. Karen is now five years old. The party was given by Karen's mother, Mrs. Wm. Mally. Assisting Mrs. Mally were Karen's aunt, Bern Franklin, and Taffy Bisio, room mother. After refreshments of cake, candy, and milk, a game was played and prizes were won by Dyanne Lausche, Mary Olinghouse, Jay Bisio, and Jeff Mally. Pre-schoolers in attendance were Fae Franklin and Michael Bisio.

Another kindergarten has enrolled this week to bring our kindergarten total to 19. He is Kenneth Muchetto. Kenneth came to Kings Beach from Los Angeles. Stanley Mason brought some autumn leaves to school and Diana Astle brought a bouquet of flowers.

Greg Pope is home from the hospital after having his tonsils removed. Second and Third Grades: (Teacher, Kay Wing.) This week the third grade was taught the use of the dictionary.

Kenny Kammerer and Cheryl Smith brought armloads of autumn leaves for science study.

Bruce Templeton brought his solar engine to share with us.

Third and Fourth Grades: (Teacher, Dorothy Corbin.) We have two new boys in our fourth grade this week. One is Robert Axelson from Ventura and the other is Bobby Holley from Sacramento.

Our county consultant, Mrs. McGouran visited our classroom Tuesday.

Wednesday the fourth grade spent most of the day taking the S.R.A. achievement series.

Fifth and Sixth Grades: (Teacher, Raymond Bisio.) The giant size map of the United States that is being painted on the playground is beginning to take shape.

In class the children are making their own cut out map of the United States. So far Donnie Decker, Carolyn Olinghouse, Virginia

Baker, Karen Critchley and Barry Anderson have finished theirs. Our tropical fish are growing very well. The Guppy gave birth to three live babies, and then proceeded to eat them.

**TRUCKEE ELEMENTARY**  
Kindergarten: (Teacher, Dee Osborn.) The children were wide-eyed Monday morning when they came in and saw a beautiful monarch butterfly on the flowers. It had burst from its cocoon over the weekend.

We sadly said goodbye to Roxanne Guartney last Friday. She has moved to Sacramento with her family.

Craig Swauger has had many interesting things to tell us about his recent trip to Denver.

First Grade: (Teacher, Helen Camp.) Jennifer O'Neil has returned after a week's absence. Susan Schuler, Philip Medina, Michelle Harris, and Michael Davis have been absent due to colds.

We were sorry to have Bobby Guartney leave our group.

First Grade: (Teacher, Ruth Croxson.) We are making scrapbooks showing our family and what each member does each day. Rosa Pinedo, John McGlade, Michael Kydd, Richard Buck and Kathie Hart drew very good pictures showing father at work.

Second Grade: (Teacher, Helen Trask.) We chose room helpers recently. Ronnie Walker, Charles Collier and Richard Balsavage have charge of the library and social studies tables; Mary Ann Moore and Fred Landers the bookcase; Susie Olano, Kathy Braasch and Theresa Pinedo the plants; Raymond Fitzsimmons and Eddie Steele, the toy shelves; Gary Waters and Len Vind the boy's coat closet; Frances Barrett and Sandy Miller's the girl's coat closet; Jack Melugin and Sharon Petersen, the teacher's desk; Gail Englehart and Rhonda Manley the blackboards; Russell Glenn and Donny White-neck the bookshelves; Bill Waters and Bruce King the drinking fountain; Darlyn Ingalls and Cathy Braley the chairs; John Collier and Gary Kehm the playground equipment; Timmy McLane and Karen Hedlund the science collections; and Nicky Kenyon and Donald Rhoades the floor and wastebaskets.

Third Grade: (Teacher, Arlene Roth.) We're glad to welcome Cheri and Lenny Judor to our class; also Zed Kirkpatrick who was here last year.

New class officers are: Claudia Ayala, president; Kristin Meixner, vice president; Larry Digesti, secretary; and Candy Hamilton, treasurer.

Fourth Grade (Teacher, John Stever.) "Achievement" was the word most commonly used in the fourth grade this week. Beginning Tuesday and ending Friday, achievement tests were given to the class.

The routine assignment of distributing the milk during mid-morning was ably done by Garry Sturcke, and Gary Jensen; the lunch cards by Linda Banyard and David Sorani; and the noon hour distribution of milk by Jimmy Roth, Bobby Burkart and Linda

A fisherman for Judge Floyd Bowers . . . X.

**Millwork and Cabinet Shop**

Banyard. Fifth Grade: (Teacher, Olia Tiff.) Those making a perfect score in spelling were Kenneth Stumbaugh, Bruce Stricker, Therene Powell, Susanna Sciutto, Ronald Brown and Jimmy Randall. Sixth Grade: (Teacher, Ruth Roberson.) Our class is bringing its study of Mexico to a close this coming week. On Thursday and Friday of last week we had two movies.

**DONNER TRAIL SCHOOL**  
Kindergarten, First and Second Grades: (Teacher, Jenne Kessey.) The children in the primary grades at Donner Trail School are studying about good food. They are making scrapbooks with pictures of the foods that are good for them. These pictures are cut out of magazines.

Third, Fourth and Sixth Grades: (Teacher, Robert Bailey.) Our class is getting larger each week. This week we had three new students enroll in Mr. Bailey's room. Their names are Douglas Calder, Curtis Calder and Deanna Calder. Curtis is in the fifth grade, Deanna is in the fourth grade, Douglas is in the third grade.

We had our first snow at the school. There was enough to throw snowballs, but it melted away very fast.

Cynthia Timmons brought a chipmunk to class.

**TAHOE LAKE SCHOOL**

First Grade and Kindergarten: (Miss Geri Bean.) Our class welcomes visitors. We are planning on having some visitors come to watch our good work during art class on Friday.

First and Second Grades: (Mrs. Solveig Beavers.) We have been making clay farm animals. Jim Caulkett made an interesting cow. Rocky Riggs made a big horse.

Third and Fourth Grades: (Mrs. Lillian Farr.) Our class reviewed the story of Columbus with more map detail on the scientific conclusions that were drawn before and after the famous voyage.

The fourth grade entertained their class on October 12. Leads in the play were Christine Schickler, as the Spanish queen, and Jeffrey Hewitt, as Columbus.

Fifth and Sixth Grades: (Mrs. Helen Rauscher.) High scorers in a difficult multiplication test were Steve Yeager, Kim Turner, Sandy Fellows, Vicki Jo Rich, Danny Connors, Joan Sevenair, Gary Burner, Karen Henry, Howard Cincotta, Pamela Kehlet, Sandra Riggs and Michael Wright.

An ardent Sportsman for Judge, Floyd Bowers . . . X.

## OCTOBER DAYS

October birthdates of several people were celebrated with their families and friends during the first part of the month, including Mrs. Orin Waters, Mrs. Nat Quilici, Robert Leamon, Mrs. E. A. Parker.

Lance Edwin, young son of Mr. and Mrs. Kenneth Hedlund was the center of attention on his October 11 birthday.

Mr. and Mrs. Jack Ellis were feted on October 10, their wedding anniversary.

## WEDDING ANNIVERSARIES

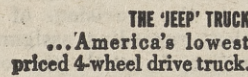

Several local couples celebrated their wedding anniversaries during September, including Mr. and Mrs. Fred Pedley on September 13, Mr. and Mrs. William Englehart, Jr., on the 18th and Mr. and Mrs. Henry Toccalini at the last of the month.

La Purisma Mission in Santa Barbara County was made a state park in 1935 and restoration of its buildings was completed in 1938.

A hunter for Judge Floyd Bowers . . . X.

TRUCKEE, CALIF.

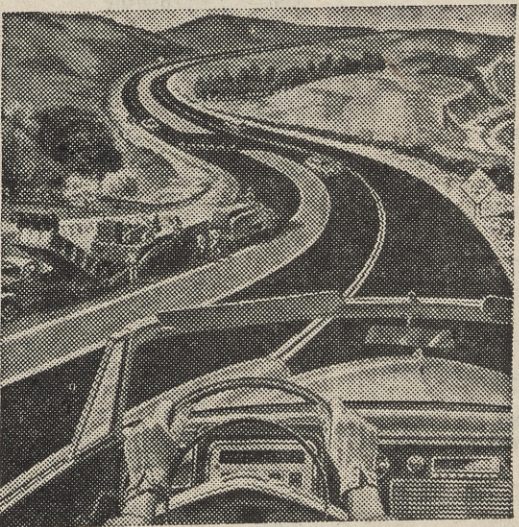

## Oil Progress Week\* lasts all through the year at Standard

**Finding new oil is vital.** By 1965 America's needs will rise 20%. To locate additional oil deposits, Standard geologists explored 33 states and 40 countries last year on foot, in planes and even in specially designed "swamp buggies" (above). As a result, we found substantial new reserves for your future use . . . this is Oil Progress.

**Producing oil for more and more uses** led us to far places . . . even to man-made "islands." Last year, in the Western Hemisphere alone, Standard drilled 107 test wells—many in remote spots. But even with new sources harder to find we added nearly three times as much oil to reserves as we took from the ground . . . this is Oil Progress.

**Standard puts oil to work for better living** in hundreds of products . . . asphalt roads for safe, comfortable driving; gasolines, oils and tires; wrinkle-resistant fabrics; stronger plastics; detergents to make housework easier; wax for candles and food cartons; plant foods; even cosmetics, salves and ointments . . . this is Oil Progress.

**Research in oil promises new products . . .** plastics strong as steel; new synthetic fibres; better insecticides. Even commercial atomic power is closer with new Standard-developed oils. In atomic machinery they last two to three times longer under radiation that makes some petroleum oils hard enough to drive nails . . . this is Oil Progress.

\*October 14 to 20 is Oil Progress Week, a reminder that 15,000 oil industry researchers produce an average of six new inventions every working day.

**STANDARD OIL COMPANY OF CALIFORNIA**  
puts petroleum progress to work for you

STATE OF CALIFORNIA  
DEPARTMENT OF PUBLIC WORKS  
DIVISION OF HIGHWAYS  
**NOTICE TO CONTRACTORS**

Sealed proposals will be received at the office of the State Highway Engineer, Room 510, Public Works Building, Sacramento, California, until 2 o'clock p.m. on October 31, 1956, at which time they will be publicly opened and read in the Assembly Room of said building, for construction on State highway in accordance with the specifications therefor, to which special reference is made, as follows:

Nevada and Sierra Counties, between 0.5 mile east of Floriston and Nevada State Line (III-Nev.Sic-38-B.A.), about 5.4 miles in length, to be graded and paved with portland cement concrete on cement treated subgrade and a reinforced concrete slab bridge to be constructed.

Bids are required for the entire work described herein.

The attention of bidders is directed to the fact that the work herein proposed to be done will be financed in whole or in part with Federal funds and that therefore all of the applicable Federal statutes, rules, and regulations will apply to such work.

The attention of bidders is particularly directed to the provisions of Section 7, article (a), subarticle (6), of the Standard Specifications regarding the use of domestic materials; to the provisions of Section 8, article (b), of the Standard Specifications regarding assignment of the contract; to the requirements of Section 7, article (h), of these special provisions regarding non-collusion among contractors; to the requirements of the special provisions regarding subcontracting; and to the prevailing wage rates predetermined by the Secretary of Labor as provided in Sections 5 and 7 of the special provisions.

In accordance with Section 115 of the Federal-Aid Highway Act of 1956, the U.S. Department of Labor has issued Decision No. R-2051 dated September 11, 1956 constituting predetermination of the minimum wage rate prevailing in the immediate locality for the labor classifications anticipated to be used on the work. Laborers and mechanics employed by the Contractor or his subcontractors on the work shall be paid not less than these wage rates as listed below:

Carpenters:	Per Hour
Carpenters	\$3.00
Power saw operator	3.125
Saw filer	3.125
Cement mason	2.995
Electricians	3.50
Piledrivermen, bridge, dock and wharf carpenters	3.03
Ironworkers:	Per Hour
Structural	\$3.40
Ornamental	3.40
Reinforcing	3.15
Fence erector	3.20

Painters, Nevada County:	Per Hour
Brush	2.725
Structural steel	2.725
Spray	2.725
Painters, Sierra County:	Per Hour
Brush	2.55
Sheet metal workers:	Per Hour
Nevada County	3.30
Sierra County	3.00

Laborers:	Per Hour
Header board	2.575
Cribbers	2.575
Lagging, sheeting, whaling, bracing, trenchjacking, hand-guided lagging hammer	2.575
Blasters, powdermen	2.575

Drillers:	Per Hour
Diamond, core, wagon and other mechanical drillers	2.575
High scalers and men working off bos'n's chair or swinging scaffolds	2.575
Form raisers	2.575
Sand blasters	2.575
Rototiller	2.575
Buggymobile	2.575
Pipe layers, caulkers, bander	2.575
Pipewrappers, kettlemen, potmen and men applying asphalt, creosote and similar type materials	2.575
Riprap stonepaver and rock slinger	2.575
Concrete and magnesite mixer, under 1/4 yd.	2.575
Chain-saw, faller, logloader and bucker	2.575
Heavy duty vibrator with stringers over 5" diameter	2.575
Barko and similar type tampers	2.575
Tree climbers	2.575
Rotary scarifier	2.575
Concrete pan work	2.575
Tank cleaners	2.575
Magnesite and mastic workers (wet or dry)	2.575
Sloper	2.425
Mucker, underground	2.575
Pavement breakers	2.575
Vibrator and all pneumatic, gas and electric tools	2.425
Loading and unloading, carrying and handling of all rods and materials for use in reinforcing concrete construction	2.425
Asphalt ironers and rakers	2.575
Guinea chaser (stakeman)	2.425
High pressure nozzleman (over 100 lbs. pressure), excluding levee work	2.425
Jackhammer operator	2.575
Cement dumper	2.325
Driller's helper, chuck tender, outside nipper	2.425
Choke-setter and rigger (clearing work)	2.425
General laborer	2.325
Gardeners and landscape laborers	2.325
Bridge laborers	2.325
Construction laborers	2.325
All clean-up work of debris, ground and buildings	2.325

Rate	Classification
Per Hour	Skilled Labor
\$3.095	Asphalt plant engineer
3.00	Carpenter
2.995	Cement finisher (journeyman)
2.705	Concrete mixer operator (up to one yard)
3.085	Concrete mixer operator (over one yard)
3.085	Heavy duty repairman
3.085	Mechanical finisher operator (concrete or asphalt) (highway or street work)
3.255	Operator of power shovel and/or other excavating equipment with shovel-type controls (up to and including one yard)
3.425	Operator of power shovel and/or other excavating equipment with shovel-type controls (over one yard)
2.725	Painter (Nevada County)
2.55	Painter (brush) (Sierra County)
3.255	Power grader operator (power planer, motor patrol or any type power blade)
3.15	Reinforcing iron worker
2.325	Road oiler
3.095	Roller operator
2.705	Screed man
3.095	Spreading machine operator
3.095	Tractor operator
2.625	Truck driver (6 cubic yards and less than 8 cubic yards water level)
2.85	Truck driver (8 cubic yards and less than 12 cubic yards water level)
2.85	Truck driver (12 cubic yards or more water level)
2.575	Intermediate Grade Labor
2.595	Asphalt ironer and raker
2.575	Apprentice (oiler, fireman, watchman)
2.48	Blast-powderman
2.765	Bootman
2.705	Boxman or mixer box operator (concrete or asphalt plant)
2.575	Fireman in hot plant
2.595	Header board man
2.575	Heavy duty repairman—helper
2.425	Jackhammer operator
2.325	Operator of vibrators and all pneumatic gas and electric tools
2.465	Truck driver (less than 4 cubic yards water level)
2.465	Truck driver (4 cubic yards and less than 6 cubic yards water level)

In accordance with the provisions of Section 1770 of the Labor Code of the State of California, the Department of Public Works has ascertained the general prevailing rate of wages applicable to the work to be done to be as follows:

Rate	Classification
Per Hour	Skilled Labor
\$3.095	Asphalt plant engineer
3.00	Carpenter
2.995	Cement finisher (journeyman)
2.705	Concrete mixer operator (up to one yard)
3.085	Concrete mixer operator (over one yard)
3.085	Heavy duty repairman
3.085	Mechanical finisher operator (concrete or asphalt) (highway or street work)
3.255	Operator of power shovel and/or other excavating equipment with shovel-type controls (up to and including one yard)
3.425	Operator of power shovel and/or other excavating equipment with shovel-type controls (over one yard)
2.725	Painter (Nevada County)
2.55	Painter (brush) (Sierra County)

Polling Place: School House.  
Dated: Oct. 4, 1956.

JOHN T. TRAUNER  
County Clerk of Nevada  
County

**TNT Tidings**

By JUDE' COMMAGERE

**Bully On The 50-Yard Line**

A bully on the 50-yard line was taken by the center forwards, Sharan Wright, sophomore, and Jacqueline Abbott, senior, to begin the hockey tournament play off game for championship, between the sophomores and seniors. The ball tossed, hit, rolled, and kicked, back and forth by two highly spirited teams. Long corners, penalty corners, roll-ins and 25-yard line bullies, created a great tensely and excitement. Suddenly the ball was driven out to Nelda Stone, left wing, hit to Karen Decker, left inner, leaving her stick to cross the goal, scoring a point for the seniors. Greater excitement grew in the second half as the ball came closer and closer to the sophomore scoring circle. Inch by inch the ball advanced until it was a breath away from the sophomore scoring area. The whistle blew, ending the last hockey game of the year, Senior 1, Sophomores 0.

**G-irls  
A-p-p-e-tites  
A-p-peased**

After the hockey tournament play-off game, G.A.A. sponsored a party in the cafeteria. Soft drinks and hot dogs appeased the appetites of the tired hockey players. Dancing, laughter, and music filled the cafeteria, but, perhaps the most important thing was the equal sportsmanship displayed by the two teams. In "Trem's" score book, both teams won, not in points, but showing they know how to lose and win.

**Visitors Welcomed**

The YMCA Youth Conference was held Saturday, October 13, at Tahoe Truckee High School. Representatives from Allegany, Carson City, Downieville, Loyalton, Nevada City, Grass Valley, Stewart Indian School were present. The program consisted of registration and brunch, opening session, panels; "How Do School Activities Affect Citizenship?" "Authority vs. Independence," and "Advantages and Disadvantages of Large and Small Schools"; report of panels and buzz session, lunch at Donner Lake Lodge, and a finale of entertainment and dancing. The previous planning enabled the conference to go very smoothly. The panel topics were well chosen. The exchange of interests and ideas made the YMCA conference a great success.

**"For Sale"**

The juniors really have the idea for money-making projects. They have been selling a smart winter coat for school books. They are red and white, waterproof, and sell for 15c or two for a quarter. They are very practical, neat, and help to protect the book bindings. Here's hoping that the juniors will be able to put up a "sold out" sign soon.

**CHURCH SERVICES**

**TAHOE CITY**—Rev. Raymond Fitzsimmons wishes to announce the beginning of a new Baptist church in the Tahoe area. Services are held at the Tahoe City Community Center every Sunday afternoon from 2 to 4. Sunday school is from 2 to 3 and evangelistic service from 3 to 4. This church is an independent church, co-sponsored by the Calvary Baptist Church, Reno. Everyone is welcome to the services.

Unskilled Labor

2.325 Flagman

3.325 Laborer

The minimum wage paid to all skilled labor for which rates are not shown above shall be not less than \$2.25 per hour.

The minimum wage paid to all intermediate labor for which rates are not shown above shall be not less than \$2.25 per hour.

The minimum wage paid to all unskilled labor for which rates are not shown above shall be not less than \$2.35 per hour.

Overtime—not less than one and one-half (1½) times the above rates.

Sundays and holidays—not less than one and one-half (1½) times the above rates. The holidays upon which such rates shall be paid shall be all holidays recognized in the collective bargaining agreement applicable to the particular craft, classification or type of workmen employed on the project.

In the event there is a difference between the minimum wage rates as predetermined by the Secretary of Labor and the prevailing wage rates as determined by the Department of Public Works for similar classifications of labor, the Contractor and his subcontractors shall pay not less than the wage rate which is the higher of the two.

Plans may be seen, and forms of proposal, bonds, contract, and specifications may be obtained at the office of the State Highway Engineer, Public Works Building, Sacramento, California, and they may be seen at the offices of the District Engineers at Los Angeles and San Francisco, at the office of the District Engineer of the district in which the work is situated, and at the office of the Associated General Contractors in San Francisco.

No bid will be considered unless it is made on a blank form furnished by the State Highway Engineer and is made in accordance with the provisions of the Proposal Requirements and Conditions set forth under Section 2 of the Standard Specifications. Each bidder must be licensed and also prequalified as required by law. (See said Proposal Requirements and Conditions.)

The Department of Public Works reserves the right to reject any or all bids.

Truckee, California

### HOSPITAL WILL GET NEW FRONT LAWN

A new lawn was recently planted at the hospital by the Arlington Nursery of Reno, and the finishing touches were applied last week. G. E. Lewis handled the rough grading, removal of rocks, and the final grading preparatory to the landscaping and planting. If everything works out according to the planned schedule, a new lawn should be in evidence next spring. This will greatly enhance the appearance of the hospital area, and will be another item toward completion of the grounds and building program.

### Everyone Given Chance To Vote In November

SACRAMENTO (CNS) — Even people stationed at the South Pole on "Operation Deep Freeze" will have a chance to vote in the November election this year, Secretary of State Frank M. Jordan announced.

Jordan has arranged with the department of defense to fly absentee ballots from Washington to Australia, thence to the South Pole base, where 16 California men are stationed.

Among the group which will be able to cast a ballot despite the distance from home is Lieut. Frank C. Jorgensen, Box 338 M, Route 2, of Hemet, Riverside County.

### QUAIL UP TO LAST YEAR

A survey of quail guzzlers and springs in the Maricopa area of Kern County shows that numbers of quail and chukars using the watering areas is about equal to 1955. There had been reports of an unsuccessful nesting season in the area.

### SHAD IN SALMON RIVER

Spawning shad have been observed for the first time in the Salmon River, Siskiyou County, a major tributary of the Klamath. The fall run of King salmon has been extremely late in the latter stream.

### BOARD MEMBER

SACRAMENTO (CNS) — Reappointment of Harold Luckey, Huntington Park, as a member of the state board of barber examiners, was announced today, by Gov. Goodwin J. Knight.

### GEESE INCREASE

There has been a big increase in the number of Canada geese using the Honey Lake waterfowl management area this fall, and the waterfowl hatch in Northern California has been very successful, the department of fish and game reports.

### More Duck, Geese Seen In Survey In Valleys

Ducks and geese are swarming into the central valleys of California in numbers, 59 percent higher than at the same time last year, the department of fish and game announced.

A total of 1,150,000 waterfowl were counted September 18 and 19 in the annual fall census conducted by the department and the U. S. Fish and Wildlife Service.

This compares to 724,000 last year at the same date, and only 541,000 in 1954.

The big increase is attributed to two successive good nesting years in the north, and the fact that fewer waterfowl were taken here last year because of the floods

which virtually washed out all hunting.

Heavy concentrations were noted in the Butte Sink, Colusa Refuge, Colusa-Sacramento Refuge area, Grizzly Island, all in the Sacramento Valley; and in the Grasslands, Mendota, and Tulare Lake areas of the San Joaquin Valley.

Biggest concentration in the entire central valleys is at Tulare Lake, where farmers have flooded thousands of acres of land for pre-crop irrigation.

At this stage of the game easily 80 percent of the birds are pin-tails, with mallards running second.

Three airplanes, two of them department craft, and one a U.S. Fish and Wildlife Service plane, were used in the operation.

### Auxiliary Visits Places Of Interest In Region

KINGS BEACH—On October 10 many members of the Ladies Auxiliary of the Veterans of Foreign Wars took advantage of their visit to Crystal Bay to visit Virginia City and the Reno area. It was the official visit of Mrs. Beth K. Veton, national president.

Mrs. Veton addressed the gathering of members and guests at a luncheon at Crystal Bay Club. Her topic was "Americanism," and she said that the Ladies' Auxiliary of the V.F.W. has become one of the largest organizations in America, especially praising Nevada for the excellent work accomplished from year to year.

Other officers attending were Virginia Gionatti, deputy president; Jene Shipley, deputy junior vice; Bea Davignon, deputy vice president and Estelle Spartz, president district 5, Las Vegas.

Mr. and Mrs. William Carver of Sacramento were here last Thursday on a combined business and pleasure trip. The couple received the good wishes of their local friends as they celebrated their wedding anniversary during their visit.

### Visitors Entertained At Meeting Of Local Lodge

Naomi Rebekah Lodge, No. 2, with Laura Horman presiding, entertained 10 visitors at the meeting October 10 from Neva Rebekah Lodge at Nevada City during a goodfellowship evening. Refrigeration for a children's home, the project of Rebekah President Aktordorf was the incentive for the visit.

Mesdames Dale Stricklin, G. E. Lewis, Charles Roberts served refreshments.

A group of the members went to the Golden Rule Rebekah Lodge at Dutch Flat in behalf of the refrigeration project.

Those making the journey are Mesdames Charles Vind, Ben King, Charles Heller, George Kamp, Dan Horman.

Mrs. King played several violin selections, accompanied at the piano by Mrs. Kamp.

Mrs. Heller, Mrs. Vind and Mrs. Horman gave appropriate readings.

#### To Live In Valley—

Mr. and Mrs. Louis Euer and children of Sacramento visited his mother, Mrs. Zella Euer last week and plan to make their home in Euer Valley.

### TRUCKEE TID BITS

By SWANEE  
(Phone Truckee 188)

Mrs. Hannah Stewart left on Monday for Reno where she will visit for a week at the home of her daughter, and family. Mr. and Mrs. Johnnie Gracik, former Truckee residents. On Tuesday Carolyn second of the Gracik sisters, observed her tenth birthday at a family dinner party topped with a beautifully decorated cake—and appropriate gifts. Sisters Cindy Lou and Donna Sue participated. The latter observes her birthday on Christmas day, which is also uniquely, the natal day of both of her paternal grandparents, Mr. and Mrs. A. J. Gracik of Lewiston, Mich.

Another Truckee family motored to Reno on Monday, Mr. and Mrs. Mel Thornton and son, Bill. They were guests at the home of Mel's daughter and husband, Mr. and Mrs. Norman Lapp, who become and proud parents of a baby girl, Lisa Aileen, less than two months ago. Mel was honored at a family dinner party in observance of his birthday.

Diane Cardinal, daughter of Mr. and Mrs. H. Cardinal of Truckee, also noted a birthday—her 10th—on Monday and the customary cake and gifts.

Pvt. Jerry Quam, son of Mrs. Gladys Quam of Truckee, writes his Mom from Neu Ulm, Germany, where he has been stationed with the U.S. 4th Infantry, 43rd battalion, since the end of August, that he likes his new surroundings and finds the country beautiful.

Mrs. C. B. White of Truckee has left her husband to "batch" for himself for a couple of weeks while she enjoys a brief vacation with her friend and neighbor, Mrs. W. F. Wilkie in San Francisco.

Fred Lease of Richmond, brother of Mrs. Edith Trent of Church street, accompanied by Don Le Febvre of San Pablo, spent the past weekend at the Trent home here. The boys, accompanied by Mrs. Trent spent Saturday and Sunday mornings buck hunting in the Ice Lakes region. Their ven for deer meat was satisfied Sunday at the annual buck stew dinner, which they pronounced delicious.

Guests at the Jack Wolert home on Sunday were Mr. and Mrs. Robert Conklin of Sacramento. The party enjoyed dinner at Smart's Sunday evening. Wolert is at present remodeling a building he owns across the river into a modern duplex.

Bill Englehart, Jr., was another Truckee resident to celebrate a birthday this week. On Monday his parents, the senior Engleharts, held a family dinner at their home with Punky, Merrill and Gail on hand to help dispose of the luscious birthday cake. Weekend guests of the junior Engleharts were Mr. and Mrs. A. W. LaGomarsino and daughter Carolyn of Sacramento.

#### NOTICE

On and after October 1, 1956, Mrs. Jayne Glass is no longer connected with the A.S.U.C. Ski Lodge.

### Candidate Is Speaker At Meet Of Rotary Club

KINGS BEACH — The Rotary Club of Brockway met at the Crystal Bay Club on Monday night, with President Brooks presiding. Visiting members were present from Tahoe City and Roseville. Last Saturday a workshop meeting was held in Reno, having been called by the district governor, Clyde Curtis of Placerville. Those attending from our club were President Brooks, E. J. Stokes and Leon Barker, each of whom gave a short report on the meeting.

Program Chairman Leon Barker introduced Floyd H. Bowers of the Roseville club and a candidate for superior court judge, as the speaker for the evening. Bowers subject was "How One-quarter Million People Learned to Live in the Last 10 Years." His talk was based on alcoholics which he explained in fifteen parts.

The club voted to donate its usual amount of money to the Boy Scouts. Don Barkhurst of the project committee reported that the committee recommended the club place street signs throughout the community. The report was accepted and will become the project for the year.

District Governor Clyde Curtis will make his official visit to the Brockway club on Friday night, October 19.

### Kathie Ann Hart Is Honored On Birthdate

The Walt Disney theme was used throughout the favors and decorations for the party given Tuesday afternoon by Mrs. Deloy Hart in honor of their daughter, Kathie Ann, who is now six years old.

Cake and other refreshment followed the games and presents enjoyed by the young set. Those invited included Diane Daly, Susan Schuler, Ruth and Pamela Notley, Jennifer O'Bear, Michelle Harris, Pamela Horman, Beverly King, Linda Russell, Diane Patterson, Mary Ann Moore, Jerry and Monte Neugebauer, Chris Kumle, Karen Meixner, Marian Ayala.

**Dallas Visitor—**  
Mr. and Mrs. James Walker have as their guest his sister, Miss Aline Walker of Dallas, Texas, who arrived in time to help her brother celebrate his October 12th birthday.

**In Baker—**  
Mr. and Mrs. Paul Ryason, former local residents have moved from Miramonte to Baker for the winter.

**Mrs. Ernst Moves—**  
Mrs. Sarah Ernst was a local visitor last week and has changed her address from Sloat to Oroville.

**Windsats In South—**  
Cathedral City is the winter residence of Mr. and Mrs. Chris Wind-sat of Soda Springs.

**Guests Of Mrs. Ray—**  
Mrs. C. H. Ray has as her guests her son and daughter-in-law, Mr. and Mrs. A. L. Bradley of Roseville.

### HIGH SCHOOL PTA ON UNIFORM DRIVE

The regular meeting of the Tahoe Truckee Unified High School PTA was held on Thursday, October 11, presided over by President Russell York.

Regarding their project of the purchase of band uniforms, the PTA executive board reported on their meeting with the district school board wherein the school board stated that funds for this purpose had not been requested in this year's budget. However, the school board would investigate the possibilities of some financial assistance yet this year. It was pointed out that due to the lack of uniforms, the Tahoe-Truckee unified high school band will not be able to participate in band festival to be held on November 17 at the University of California.

The PTA voted to purchase sufficient uniform parts now to complete at least 16 of the needed 30 uniforms.

The executive board was empowered to proceed immediately with plans to raise funds for their treasury since the foregoing vote nearly depleted their funds.

A panel discussion by five members of the senior class under the guidance of Frank Ratliff on the subject "What Teen-Agers Expect of Their Parents" promoted some very thought-provoking discussion.

The next regular meeting of the Tahoe-Truckee Unified High School PTA will be held on Thursday, November 8 at the high school.

#### Walters Visit—

Mr. and Mrs. Art Walters of Sacramento arrived last week to visit their many friends in this vicinity and while here went to Reno to see Mary Marquis, also a former resident several years ago.

**Building At Donner—**  
Thomas Barbis of Oakland who has been building a house at Donner Lake also visited his relatives, Mrs. Mary Zunino, Mr. and Mrs. Elden Tonini.

**Joslins Leave—**  
Mr. and Mrs. R. T. Joslin left for San Francisco, having spent the summer in Truckee.

**Move To Idaho—**  
Mr. and Mrs. Lloyd Van Sickle and their children have gone to Drummond, Idaho, to establish their home.

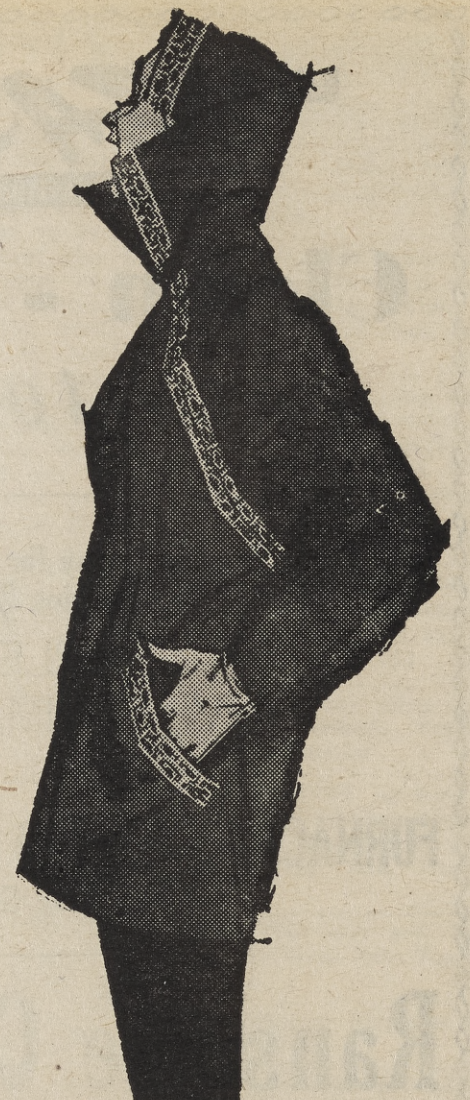

**On Vacation—**  
Mr. and Mrs. Earl Stice, the former S. P. agent here and the latter secretary at the high school, are on vacation and enjoying a trip to Stice's home in Utah and a motor trip through southern California.

The nation's most spectacular volcanic area, on the Islands of Hawaii and Maui, are contained in the Hawaii National Park.

#### CARD OF THANKS

I am taking this means to express my sincere appreciation to the Tahoe City Ambulance service, Dr. W. Prescott, Tahoe Forest Hospital staff and personnel for the wonderful service and care I received during my recent illness.

Mrs. Sam Goss  
Tahoe City, Calif.

Laugh at winds  
and chills!

THE ICELANDER

by *White Stag*

You're snug-as-a-bug (and oh so fetchingly feminine!) in our braid-trimmed Iceman. Oversize collar converts to chillproof hood. Action-tailored of water-repellent treated cotton poplin, cozy Thermotag lining. Draft-defying inner wristlets. Varsity Blue, White, Black, Crimson—color-coordinated with the other new fall funwear by White Stag. 10-18. 19.95

EDGAR RICE BURROUGHS

# Tarzan

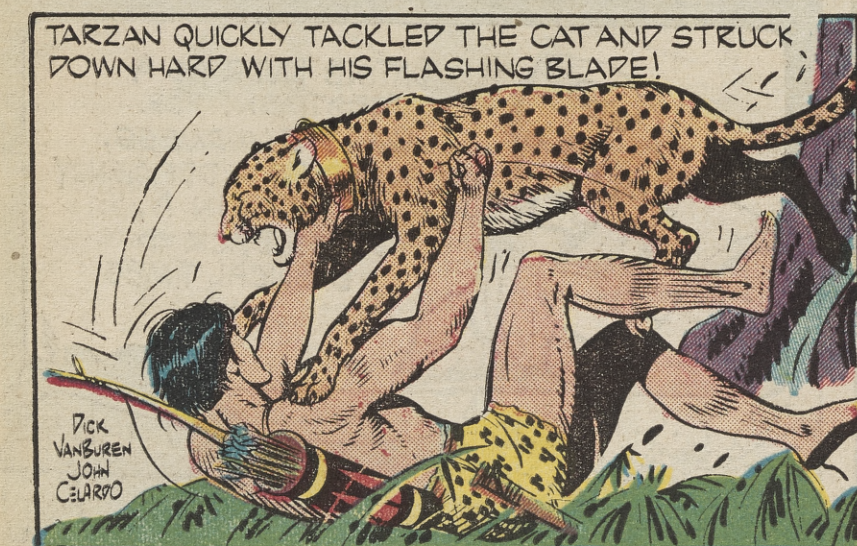

TARZAN AGREED TO HELP HIS COMPANIONS IN A SEARCH FOR WALTER'S NIECE, KATHY KAYE... WARILY, THE GROUP TREKKED THROUGH A WILD AND SAVAGE COUNTRY.

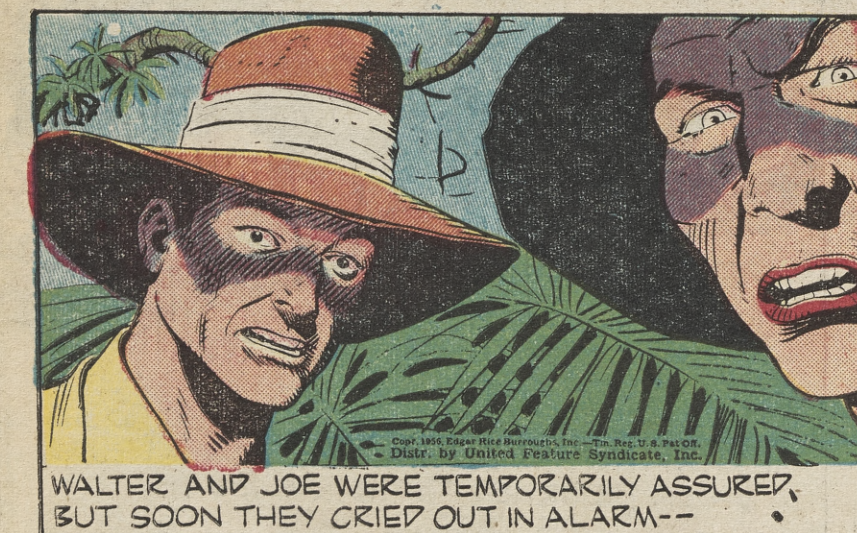

IN A MATTER OF MINUTES, THE ADVENTURERS WERE SURPRISED TO SEE A LITHE, FEROCIOUS CHEETAH LEAP OUT IN AMBUSH!

TARZAN QUICKLY TACKLED THE CAT AND STRUCK DOWN HARD WITH HIS FLASHING BLADE!

PICK VANBUREN JOHN CELARDO

WALTER AND JOE WERE TEMPORARILY ASSURED, BUT SOON THEY CRIED OUT IN ALARM--

FOR SEVERAL MORE OF THE SNARLING CARNIVORES APPEARED AND QUICKLY SURROUNDED THE MEN! 10-21-1337

## Abbie an' Slat's

by RAE BURN VAN BUREN

MOST O' YOU KIDS KNOW ALL THEM FAIRY TALES YOU READ ABOUT IN BOOKS, BUT HOW MANY GOT ANY IDEA O' WHAT HAPPENED AFTER?

ME, NEITHER! YOU TELL US, POP!

NOT ME!

LET'S TAKE "JACK AND THE BEAN-STALK" FOR A STARTER. YOU REMEMBER HOW JACK CHOPS DOWN THE BEANSTALK AFTER SWIPIN' THE GIANT'S GOOSE THAT LAID THE GOLDEN EGGS?

YEAH--AND THEN WHEN THE BIG GOOF CHASES JACKIE BOY DOWN THE BEAN-STALK, HE GETS POWDERED WHEN JACK CHOPS IT DOWN.

KEERECT--ALL EXCEPT THE PART ABOUT THE BIG FELLER GETTIN' KNOCKED OFF! THAT PART AIN'T EXACTLY RIGHT!

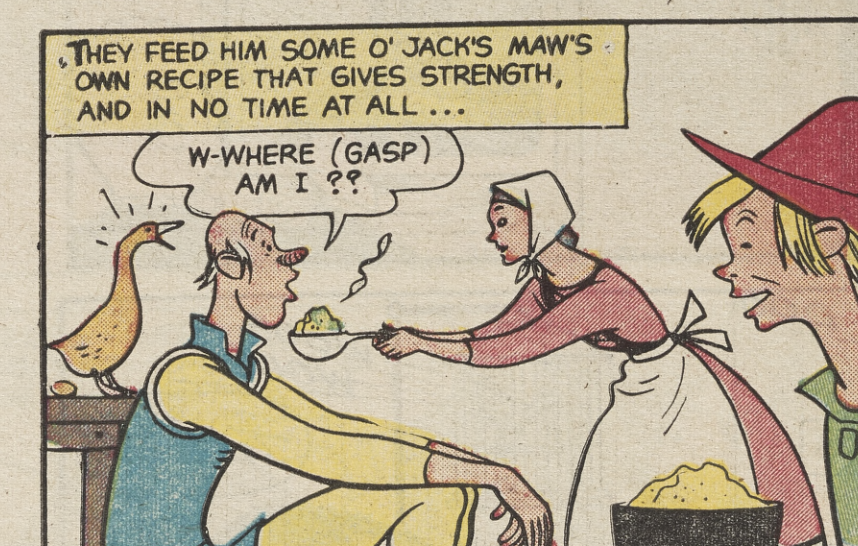

1st. Reg. U. S. Pat. Off. All rights reserved. Copr. 1956 by United Feature Syndicate, Inc.

THE GIANT WAS KNOCKED COLD AFTER FALLIN' ON HIS SCALP. THAT'S HOW THE RUMOR STARTS UP THAT HE WAS DEAD. BUT JACK AND HIS MAW TOOK PITY ON HIGH-PANTS...

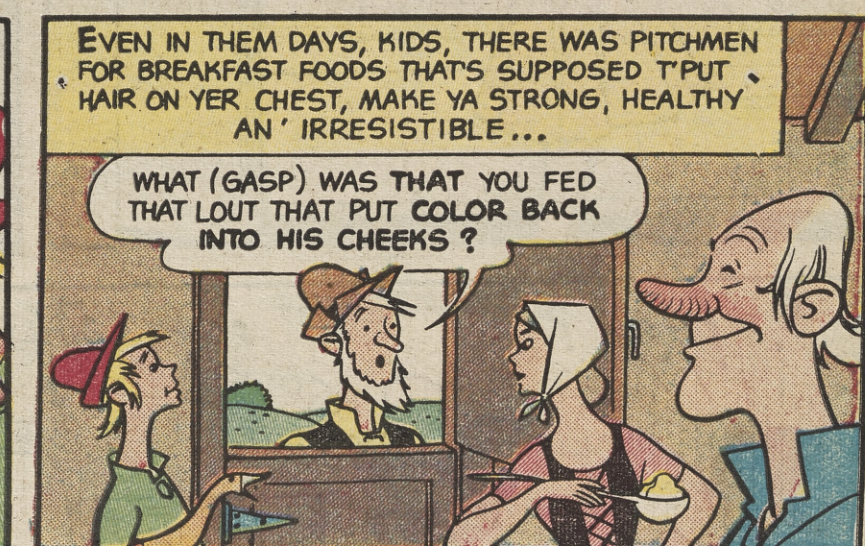

THEY FEED HIM SOME O' JACK'S MAW'S OWN RECIPE THAT GIVES STRENGTH, AND IN NO TIME AT ALL...

W-WHERE (GASP) AM I??

EVEN IN THEM DAYS, KIDS, THERE WAS PITCHMEN FOR BREAKFAST FOODS THAT'S SUPPOSED T'PUT HAIR ON YER CHEST, MAKE YA STRONG, HEALTHY AN' IRRESISTIBLE...

WHAT (GASP) WAS THAT YOU FED THAT LOUT THAT PUT COLOR BACK INTO HIS CHEEKS?

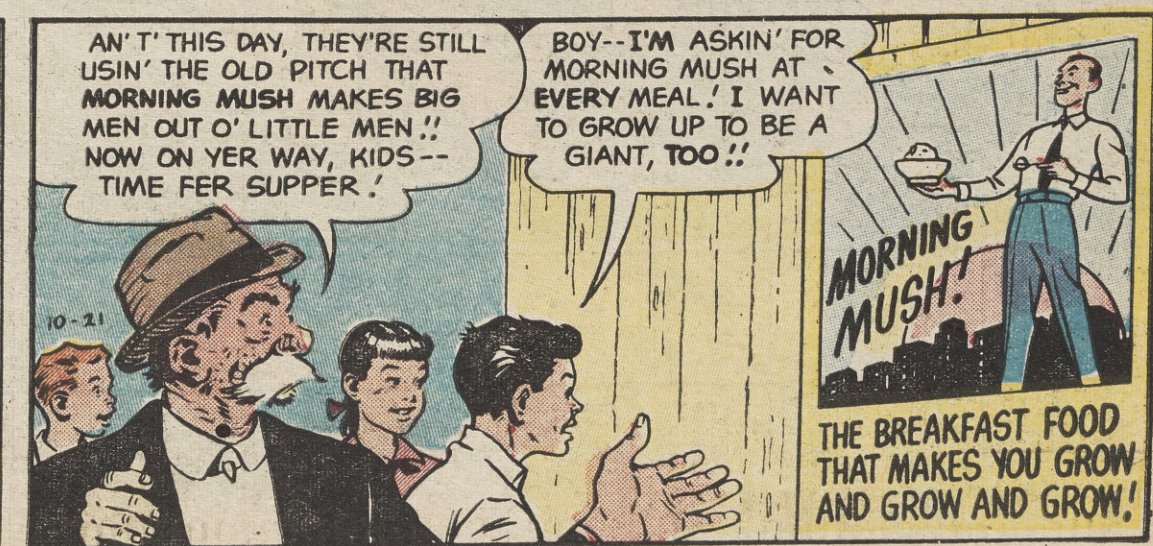

THAT WAS MAW'S OWN RECIPE FOR MORNING MUSH, KIND SIR?

M-MORNING MUSH--THE BREAKFAST FOOD THAT MAKES (SHUDDER) GIANTS OUT O' ORDINARY MEN!! GADS!! THAT'S COLOSSAL!

AN'T THIS DAY, THEY'RE STILL USIN' THE OLD PITCH THAT MORNING MUSH MAKES BIG MEN OUT O' LITTLE MEN!! NOW ON YER WAY, KIDS--TIME FER SUPPER!

BOY--I'M ASKIN' FOR MORNING MUSH AT EVERY MEAL! I WANT TO GROW UP TO BE A GIANT, TOO!!

MORNING MUSH!

THE BREAKFAST FOOD THAT MAKES YOU GROW AND GROW AND GROW!

10/21

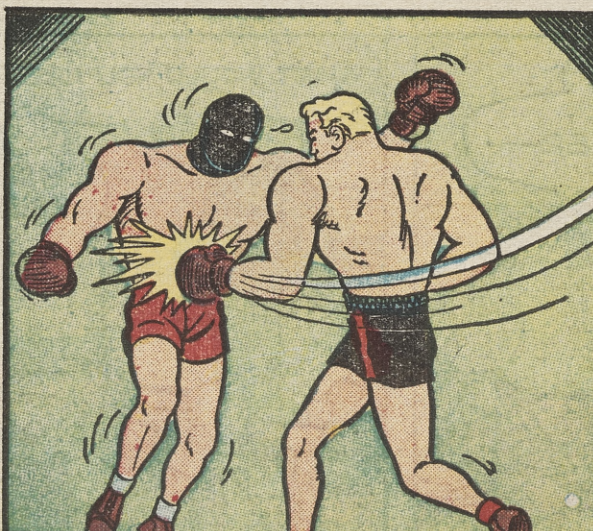

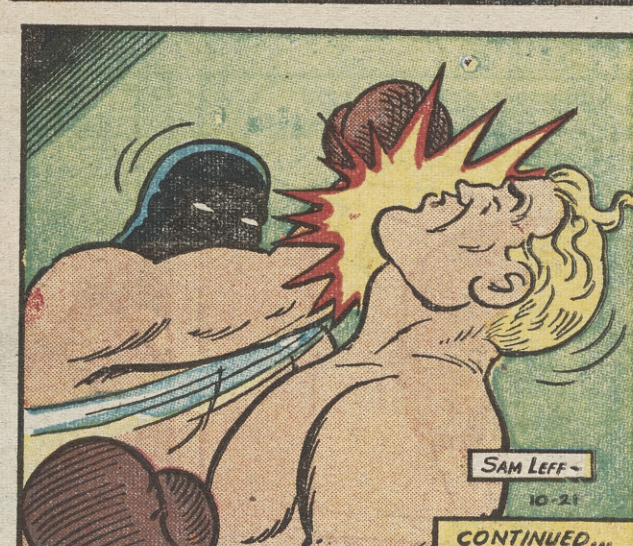

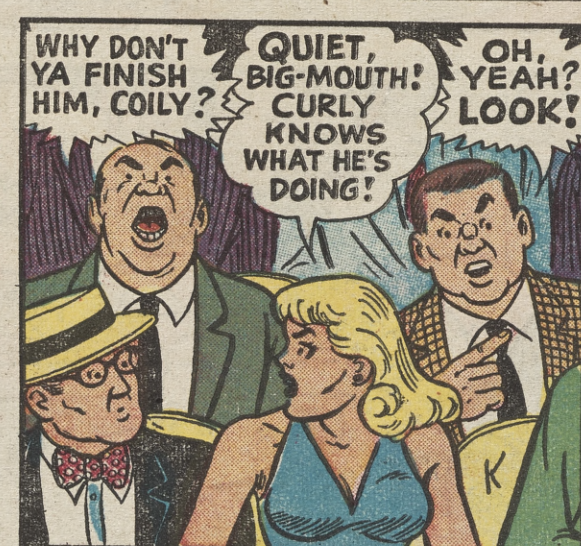

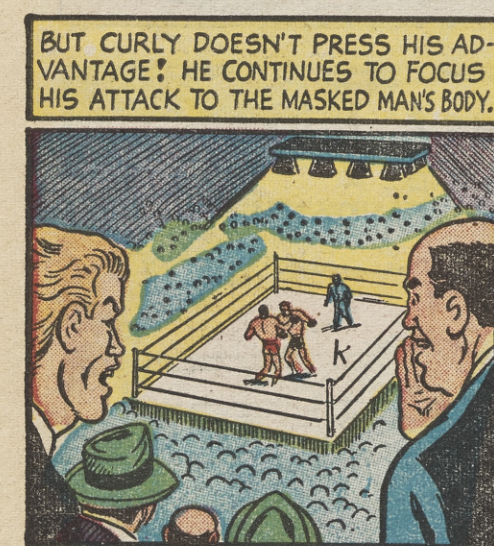

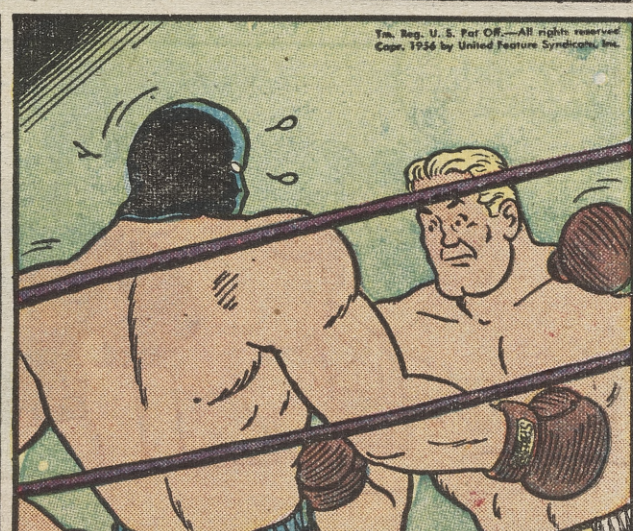

THE MASKED MANGLER, WHO MADE HIS REPUTATION WITH QUICK KNOCKOUTS, HAS CHANGED HIS TACTICS TONIGHT. HE'S CLINCHING AT EVERY OPPORTUNITY.

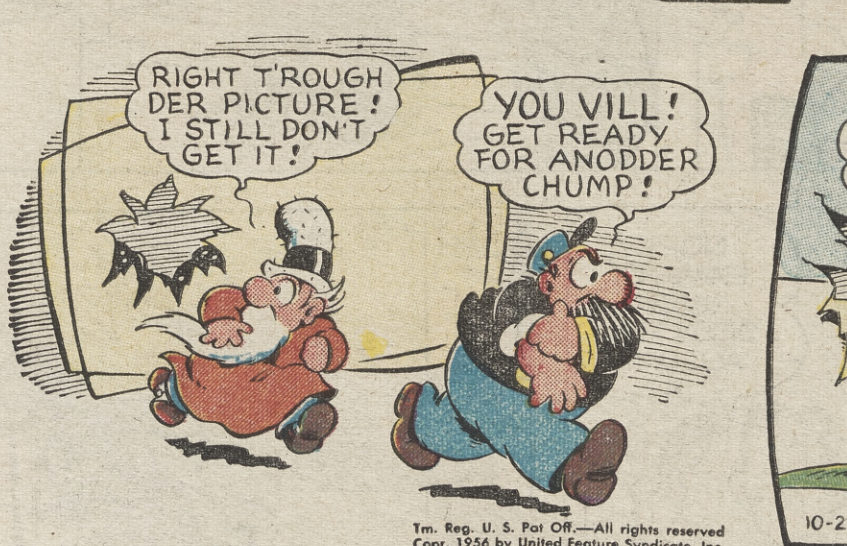

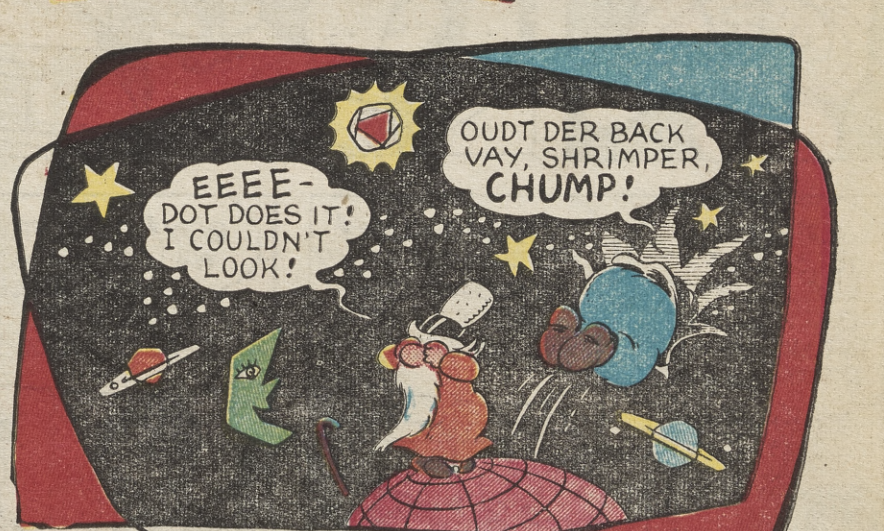

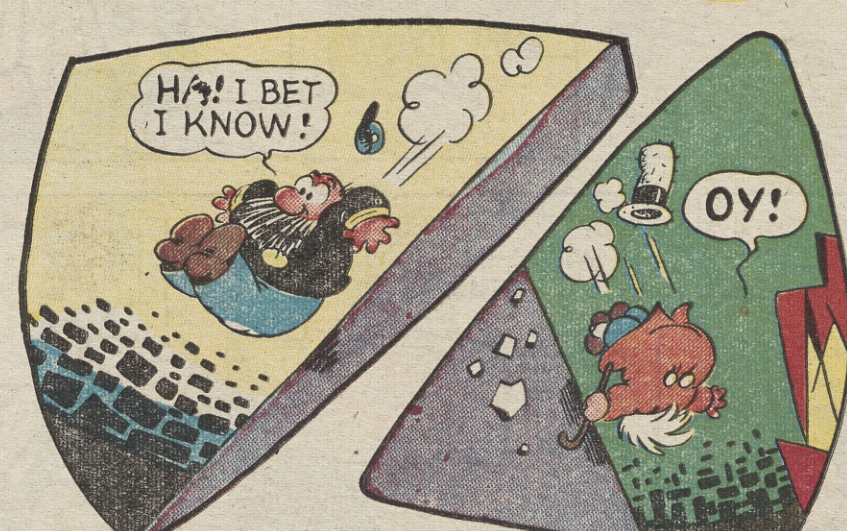

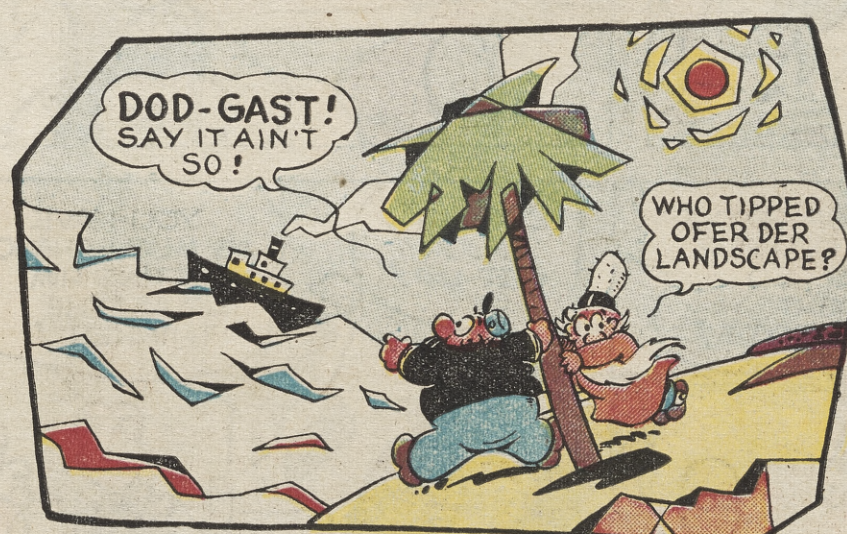

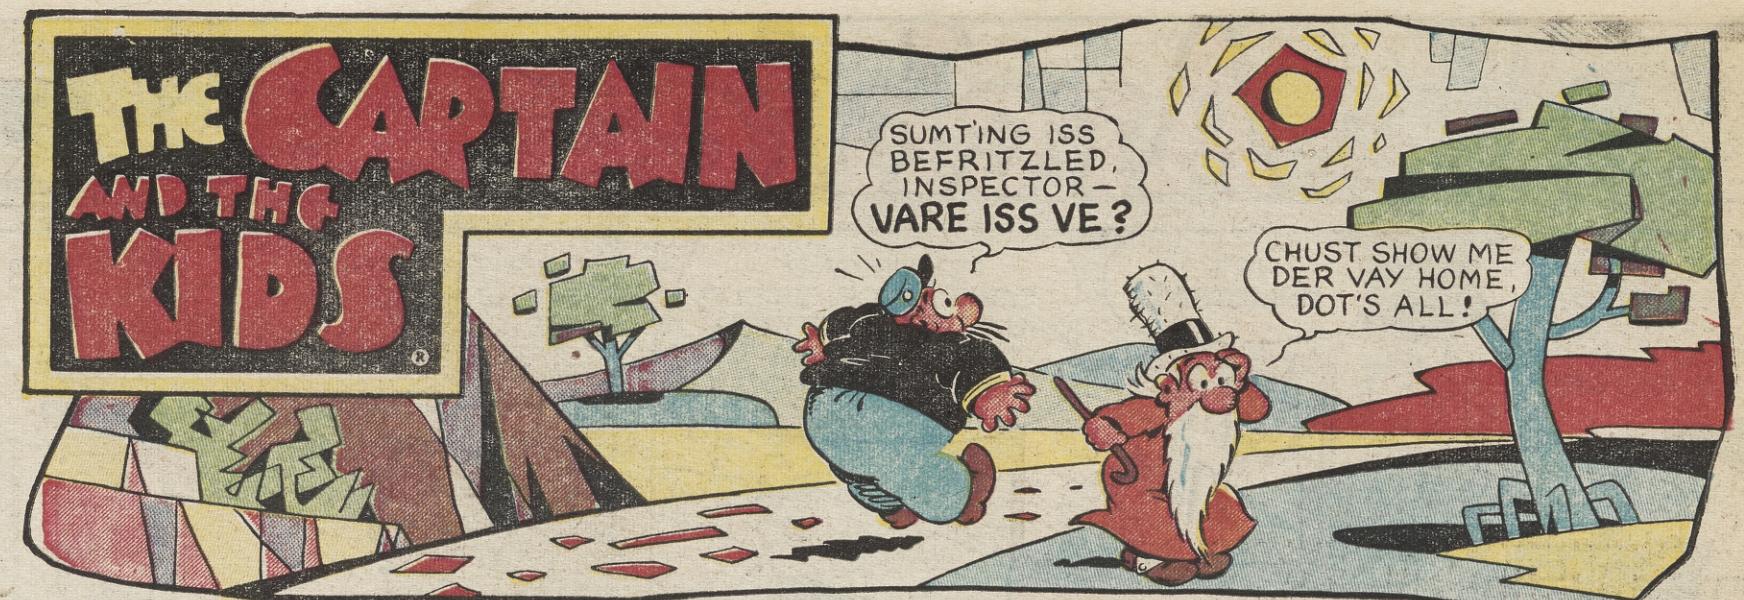

AND CURLY, WHO USUALLY VARIES HIS ATTACK, CONCENTRATES STRICTLY ON THE BODY OF HIS MYSTERIOUS OPPONENT.

THAT SOLID SMASH TO THE MANGLER'S MID-SECTION BROUGHT HIS GUARD DOWN... HIS FACE IS A PERFECT TARGET!
